Notes

1. The Unlimited weight class can be forfeited without consequences (i.e., no team points are lost). If there is a match, unless agreed by coaches/parents, the weight differential should not be more than 10 percent.
2. 6th graders can't be born before 9/1/09 and cannot wrestle 3rd graders or younger unless the opponent's parent and coach approves of the match in writing. If the match is not approved, it will **not** count as a forfeit against either team.
3. Exhibition bouts may take place if referees are available.
